

Year 11 Revision Programme Details

The chart below shows the support being offered to year 11 students by each subject in preparation for the terminal exams this summer. Notes: To access the SAM Learning website, mymaths website and linguastars website students need their username and password (students have been given these and are available from their subject teachers).

Subject	Best Revision Guide	Best website for revision.	Other useful resources for revision e.g. CD	Days when coursework catch-up classes are running after school.	Days when revision classes are running after school.
